**Committed to Exceptional Care**

**COMMUNITY FOCUSED WITH A WARM AND WELCOMING ENVIRONMENT WHERE EVERYONE THRIVES**

### SKILLED REHABILITATION

Nursing care at Peterson Rehabilitation and Healthcare Center is offered round-the-clock to help patients bridge the gap from hospital to home. Our highly-trained team prioritizes the unique health history and needs of every resident, fostering a warm and welcoming atmosphere to promote healing and comfort.

### RESPIRE

Dedicated caregivers need time away from their responsibilities to maintain their well-being and the well-being of their loved ones. Our respite services offer continuity of care at the hands of our experienced specialists and staff, ensuring a seamless transition back to primary caregiving.

### LONG-TERM CARE

Discover a haven of compassion and care at Peterson Rehabilitation and Healthcare Center. Our long-term care plans are crafted to meet the individualized needs of residents with ongoing medical needs and chronic conditions, blending round-the-clock interdisciplinary support with routines that keep patients as active and independent as possible.

### HOSPICE

Peterson Rehabilitation and Healthcare Center is honored to be a source of comfort and compassion for those in need of hospice. Our team understands the unique challenges that come with providing end-of-life care, and we strive to foster a peaceful, dignified environment where residents and their loved ones can address the medical and emotional aspects of this sensitive time.

At Peterson Rehabilitation and Healthcare Center, we know that quality care is more than just meeting medical requirements; it's about creating a place where residents feel a sense of belonging. We take a holistic approach, addressing the physical needs of our residents alongside engaging activities and premium amenities that inspire community, comfort, and collaboration.
